UCAS website: <http://www.ucas.com/>

Our school **buzzword** – please consult our school UCAS correspondent – Anita Kwiatkowska or UCAS adviser – Beata Krupiczka

15 October each year applicants (Oxford or Cambridge, medicine, dentistry, veterinary)

1. Registration, personal statement, university choices (students)
30 September
2. Reference letter, predicted grades (referees)
30 September
3. Paying registration fee (credit card)
9 October

15 January each year applicants (all other courses)

1. Registration, personal statement, university choices (students)
15 December
2. Reference letter, predicted grades (referees)
15 December
3. Paying registration fee (credit card)
5 January

It is highly advisable to submit your UCAS application as early as possible. It might increase the probability of receiving offers from selective universities.

If a student does not meet a registration deadline his/her account is going to be deleted on the day when the deadline expires. The student can make an individual application then. We do not assist with individual applications.
